A screenshot of the Deephaven sign-up form. At the top is the Deephaven logo. Below it is the text 'Sign up with a new account'. There are two input fields: 'Email' with the value 'lo@hightechlending.com' and 'Password' with a masked password '.....'. Below the password field are five green checkmarks indicating password requirements: 'Password must contain a lower case letter', 'Password must contain an upper case letter', 'Password must contain a special character', 'Password must contain a number', and 'Password must contain at least 8 characters'. At the bottom is a blue 'Sign up' button and a link that says 'Already have an account? Sign in'.

It will then send a verification code to your email address. Be sure to check your spam folders too.

After you have verified your account, you will have access to the portal where you can upload the bank statements.
